RUBIKS TECHNOLOGY

THE RULE

Lawyer ads can’t be false or misleading.

No false claims

No claims you can’t prove

Every state has its own version

That covers your website, your Google profile and every ad.

RUBIKS TECHNOLOGY

WORD 1

“Best”

BEST

Top

#1

Say this instead:

4.9 stars
312 reviews

A fact people can check beats a claim nobody can.

“Best” compares you to every lawyer in town. You can’t prove it.

RUBIKS TECHNOLOGY

WORD 2

“Expert”

Say this instead:

Focused on family law

EXPERT

Specialist

“Specialist” is for lawyers with a real certification.

Many states only allow it if an approved board certified you.

RUBIKS TECHNOLOGY

WORD 3

“Guaranteed”

GUARANTEED

~~“We always win”~~

~~“You will get paid”~~

Say this instead:

“Here’s how we work.”

No lawyer controls the outcome. Describe your process, not the result.

RUBIKS TECHNOLOGY

NEW

New: AI-made faces and voices may need a label.

Dec 21 Pennsylvania

A few states now require a clear label on AI-made ad content that could mislead.

Using an AI actor or voice in an ad? Check your state before it runs.
