RUBIKS TECHNOLOGY

Your last 10 cases. From where?

Most firms can’t say. A 3-column fix.

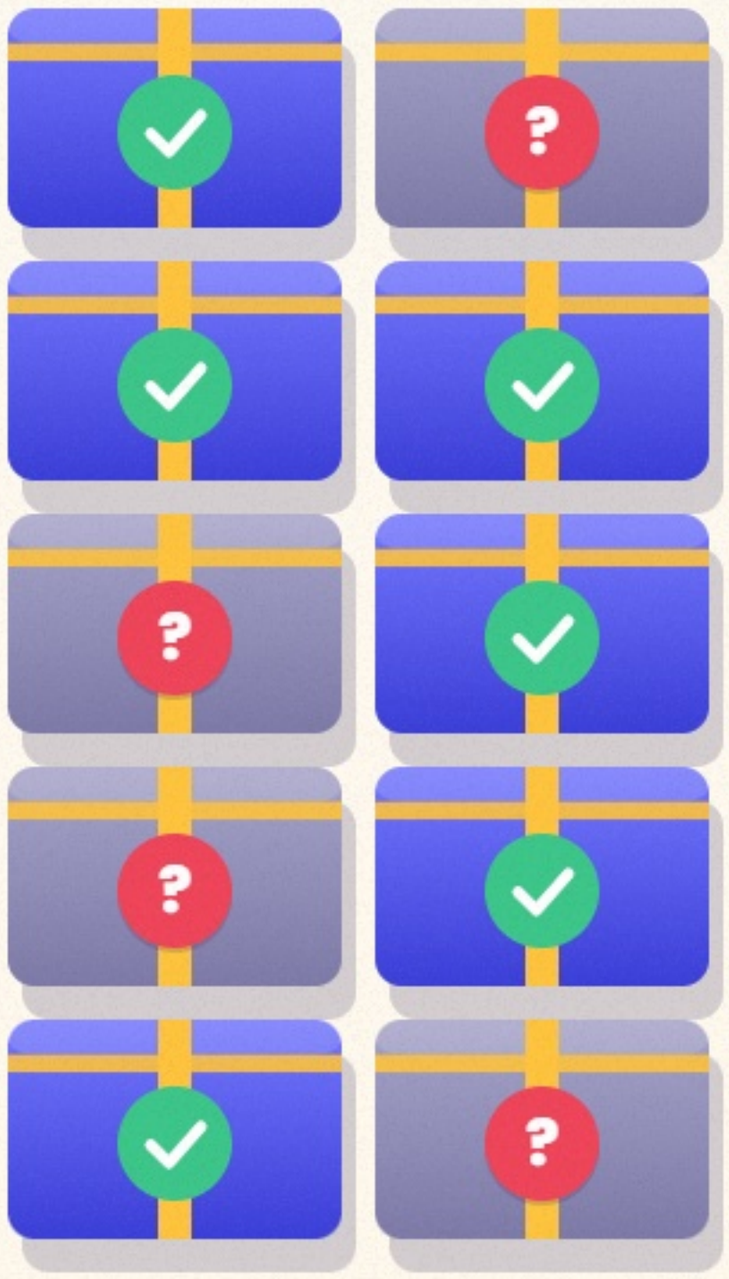

THE NUMBER

4 in 10 firms can’t say what’s working.

42%

of law firms said they don’t track marketing results at all.

National survey of law firms

No blame. Nobody was ever shown a simple way to do it.

STEP 1

End every first call with these 6 words.

ASK BEFORE YOU HANG UP

How did you hear about us?

Google

A friend

An ad

Six words. It’s free, and it takes four seconds.

STEP 2

Write it down in three columns.

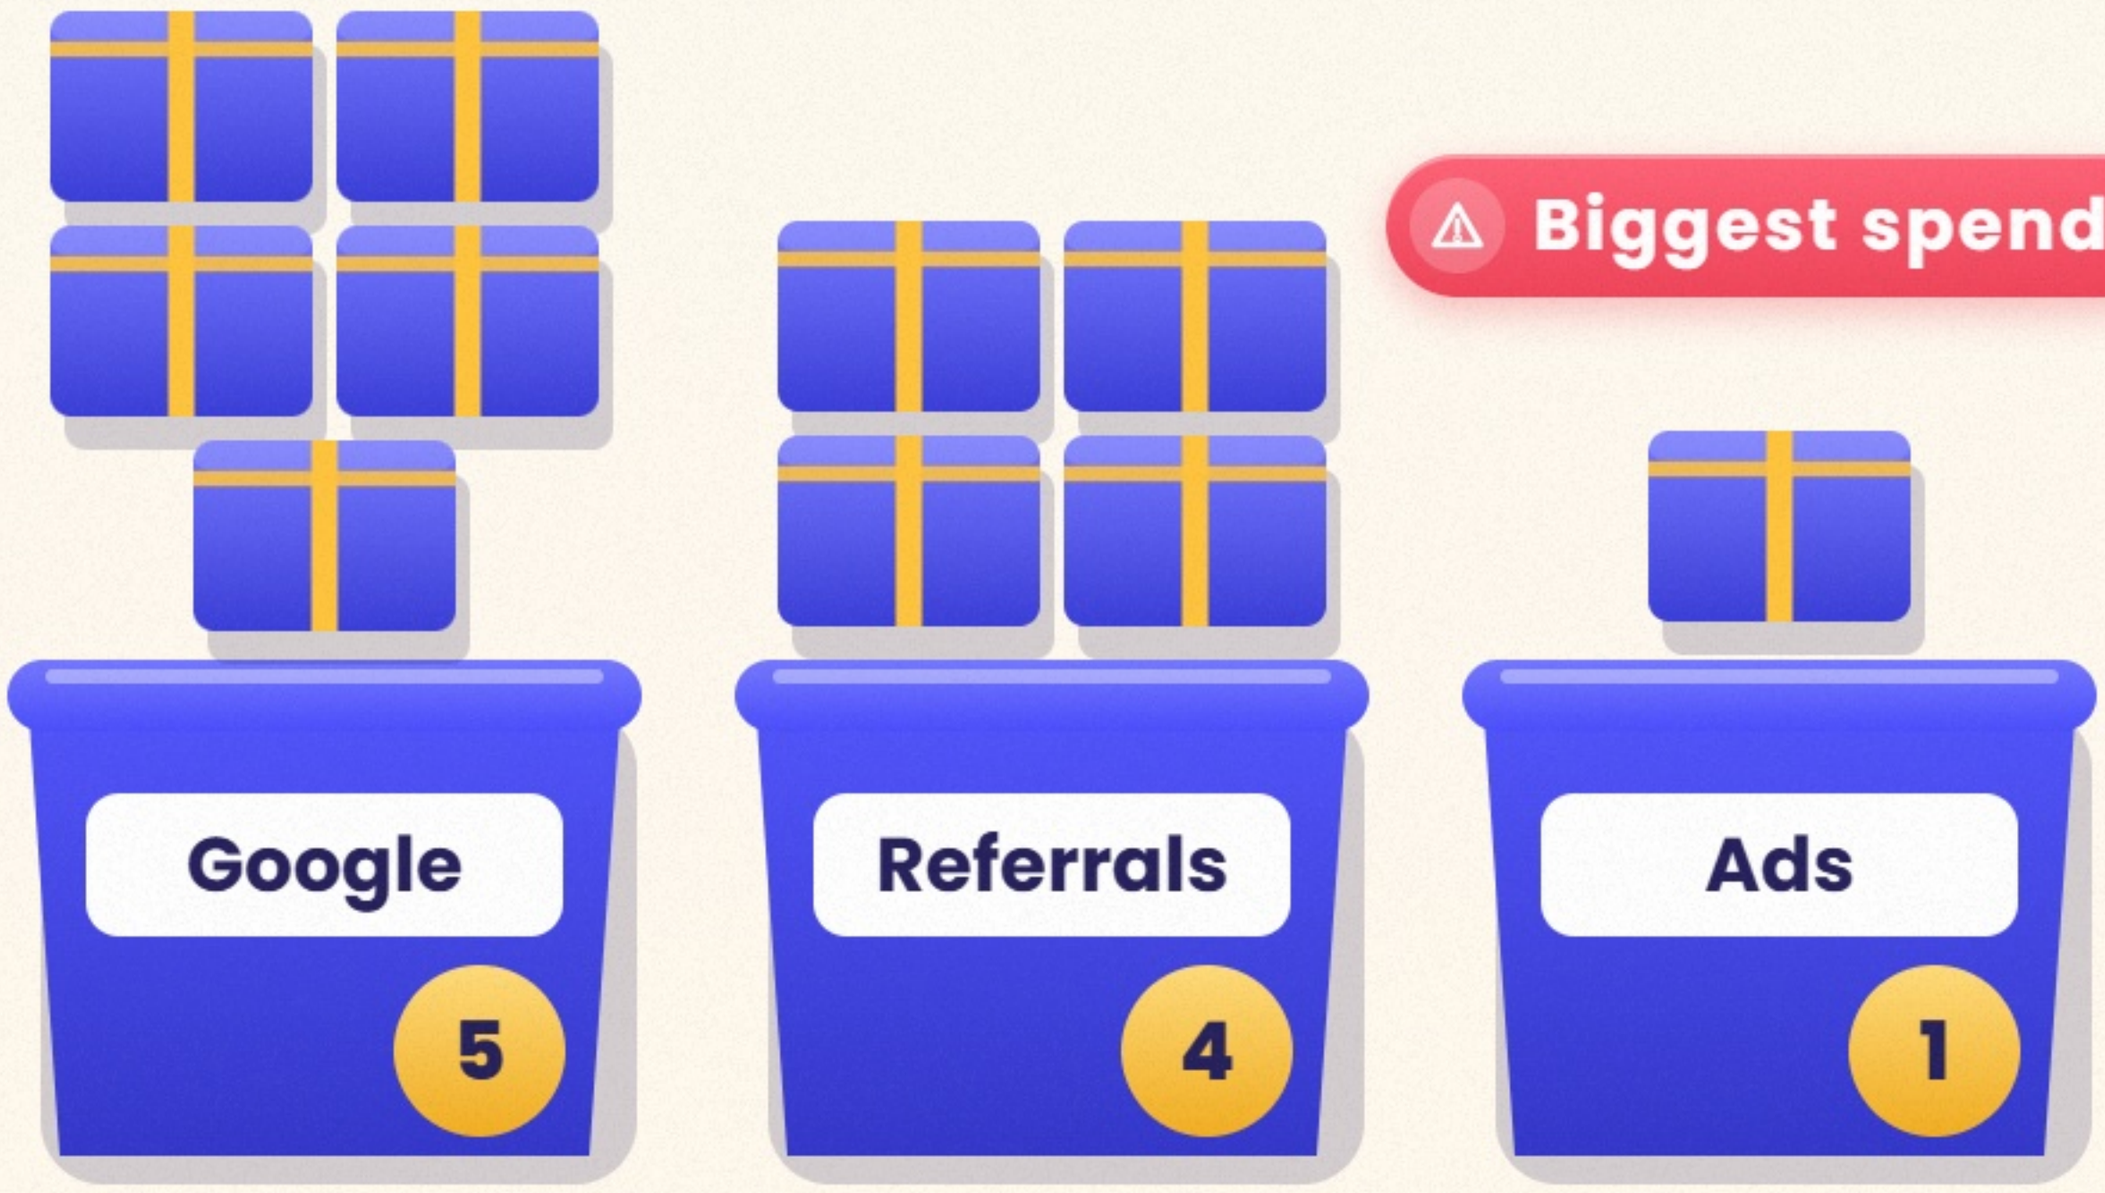

Where from	Signed?	Fee
Google search	✓	● ● ●
Past client	✓	● ●
Billboard	✗	—

A notebook works. So does a spreadsheet. Start Monday.

STEP 3

After 30 days, sort the pile.

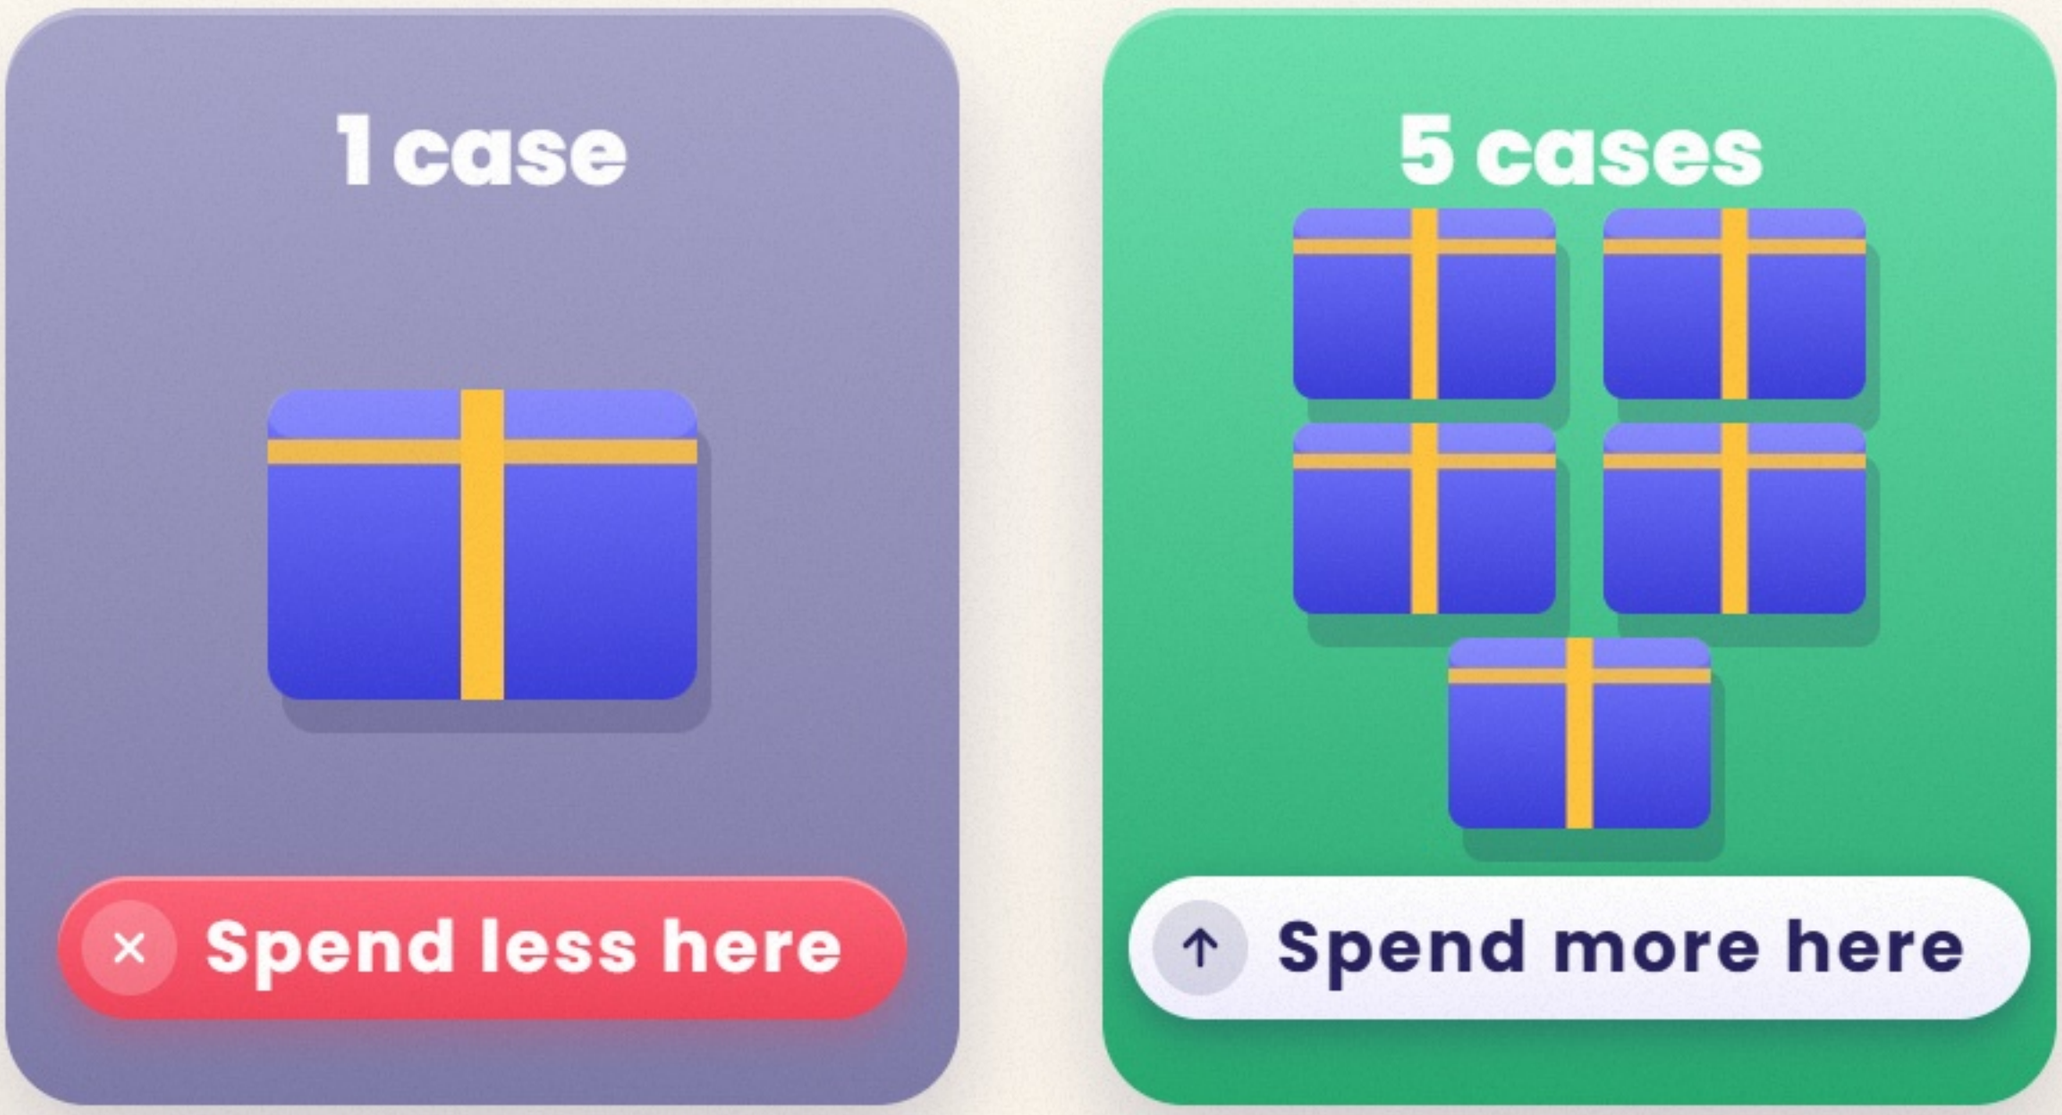

Ten cases in, the pattern is usually obvious.
