RUBIKS TECHNOLOGY

Your follow-up email is getting ignored.

Here's the one that gets a reply.

RUBIKS TECHNOLOGY

BEFORE

“Just checking in.”

Subject: Checking in

Hi Maria, just checking in on your inquiry. Let us know if you have any questions.

Polite. Friendly. Ignored.

RUBIKS TECHNOLOGY

AFTER

One question. Two times.

Subject: Quick question, Maria

Hi Maria, has anything changed since we talked Tuesday? I can call you today at **3:00** or tomorrow at **10:00**. Which is better?

Easy to answer in five seconds.

RUBIKS TECHNOLOGY

⚠ WHY IT DIES

There’s nothing to answer.

Subject: Checking in

Hi Maria, just checking in...

× No question

× No next step

× No time offered

It puts all the work on them.

RUBIKS TECHNOLOGY

SAME IDEA AS A TEXT

Shorter is fine.

Text

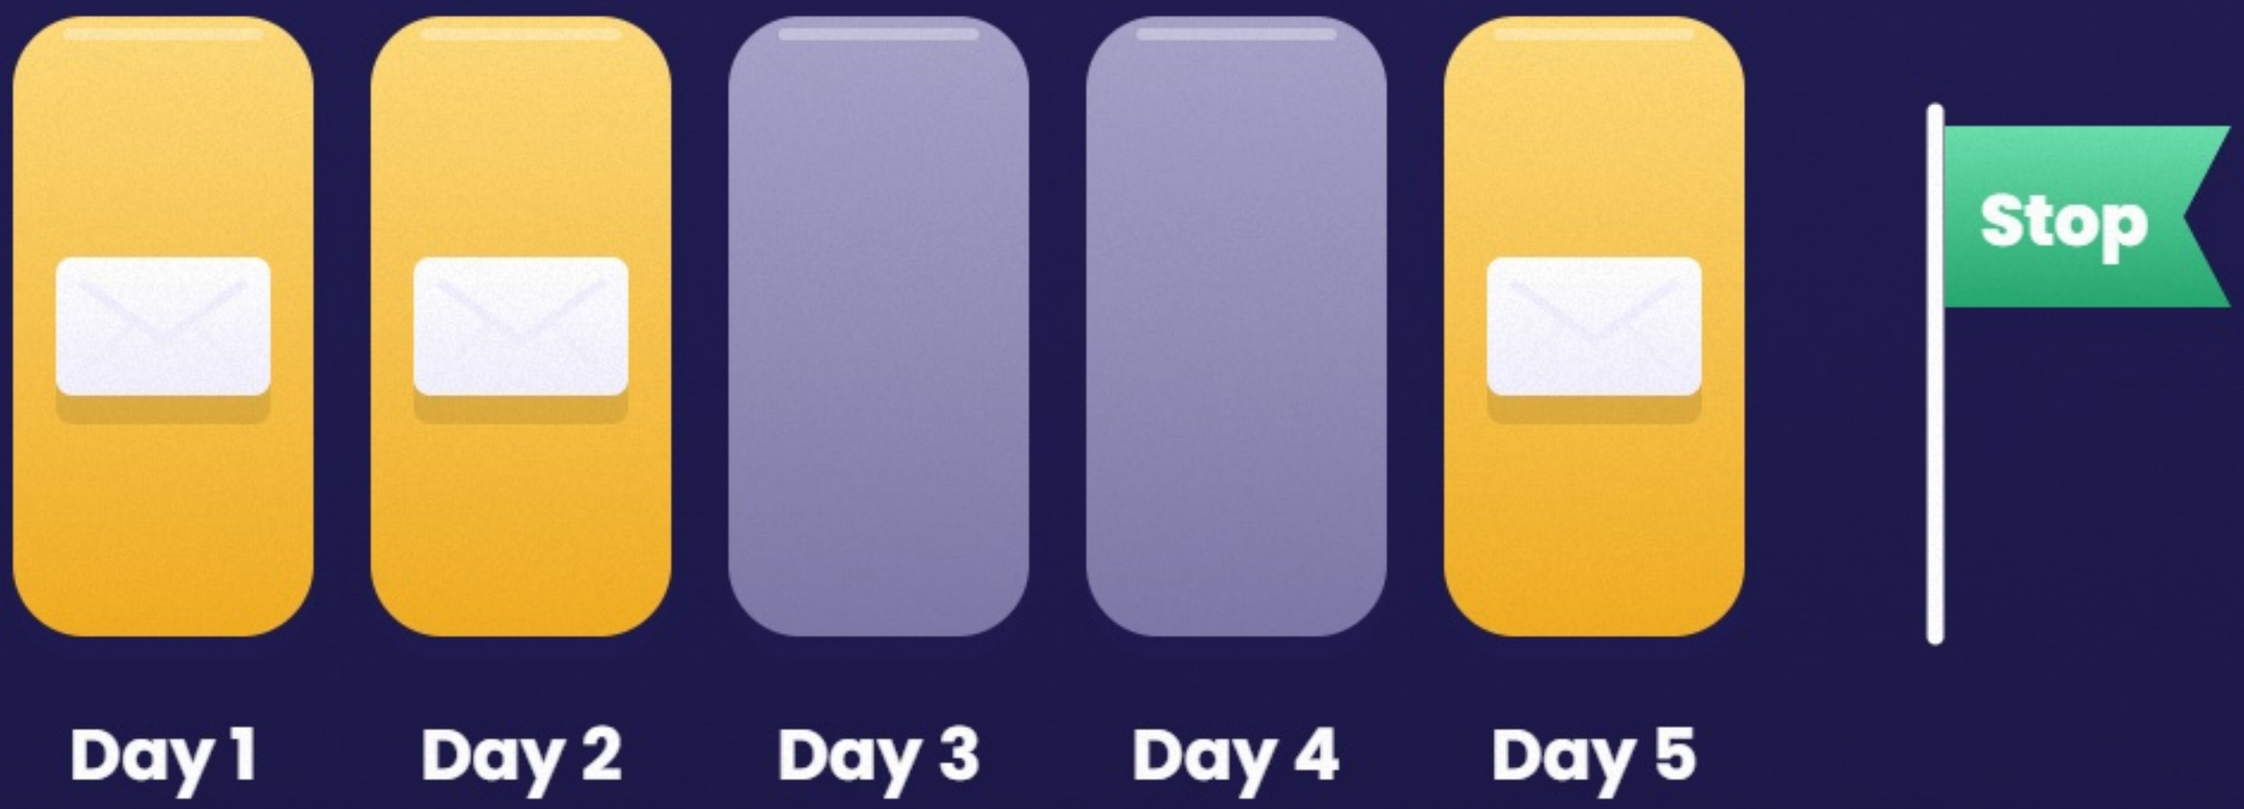

Hi Maria, Sarah from [Your Firm]. Any news since Tuesday? I can call at 3:00 today or 10:00 tomorrow. Which works?

Many people reply to a text faster than an email.

RUBIKS TECHNOLOGY

WHEN TO SEND IT

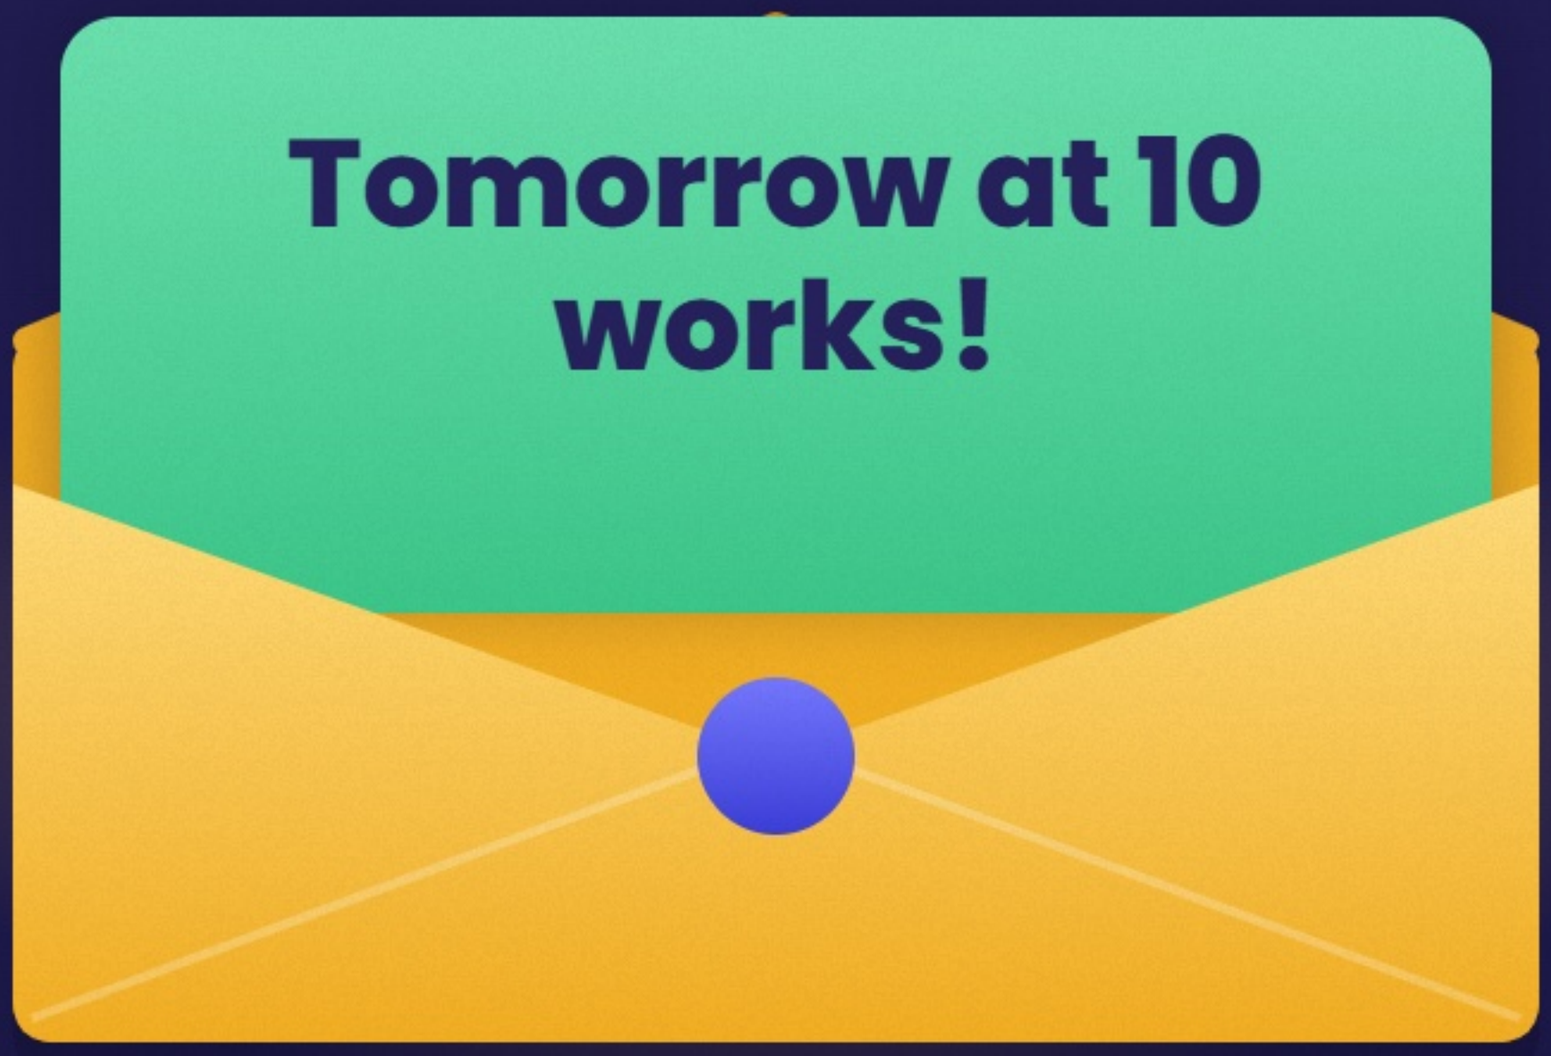

Three tries over five days.

Then stop. You've done it right.
