RUBIKS TECHNOLOGY

WHAT CHANGED

Google now answers many questions itself.

The answer sits above every result, including yours.

RUBIKS TECHNOLOGY

⚠ LOST CLICKS

General questions lost the most.

how long do I have to file...

what is a retainer?

do I need a lawyer for...

People get the answer and never visit a website.

RUBIKS TECHNOLOGY

HELD UP

Ready-to-hire searches mostly held.

divorce attorney consultation

[Your Firm] reviews

These people want a firm, not a definition.

FIX 1

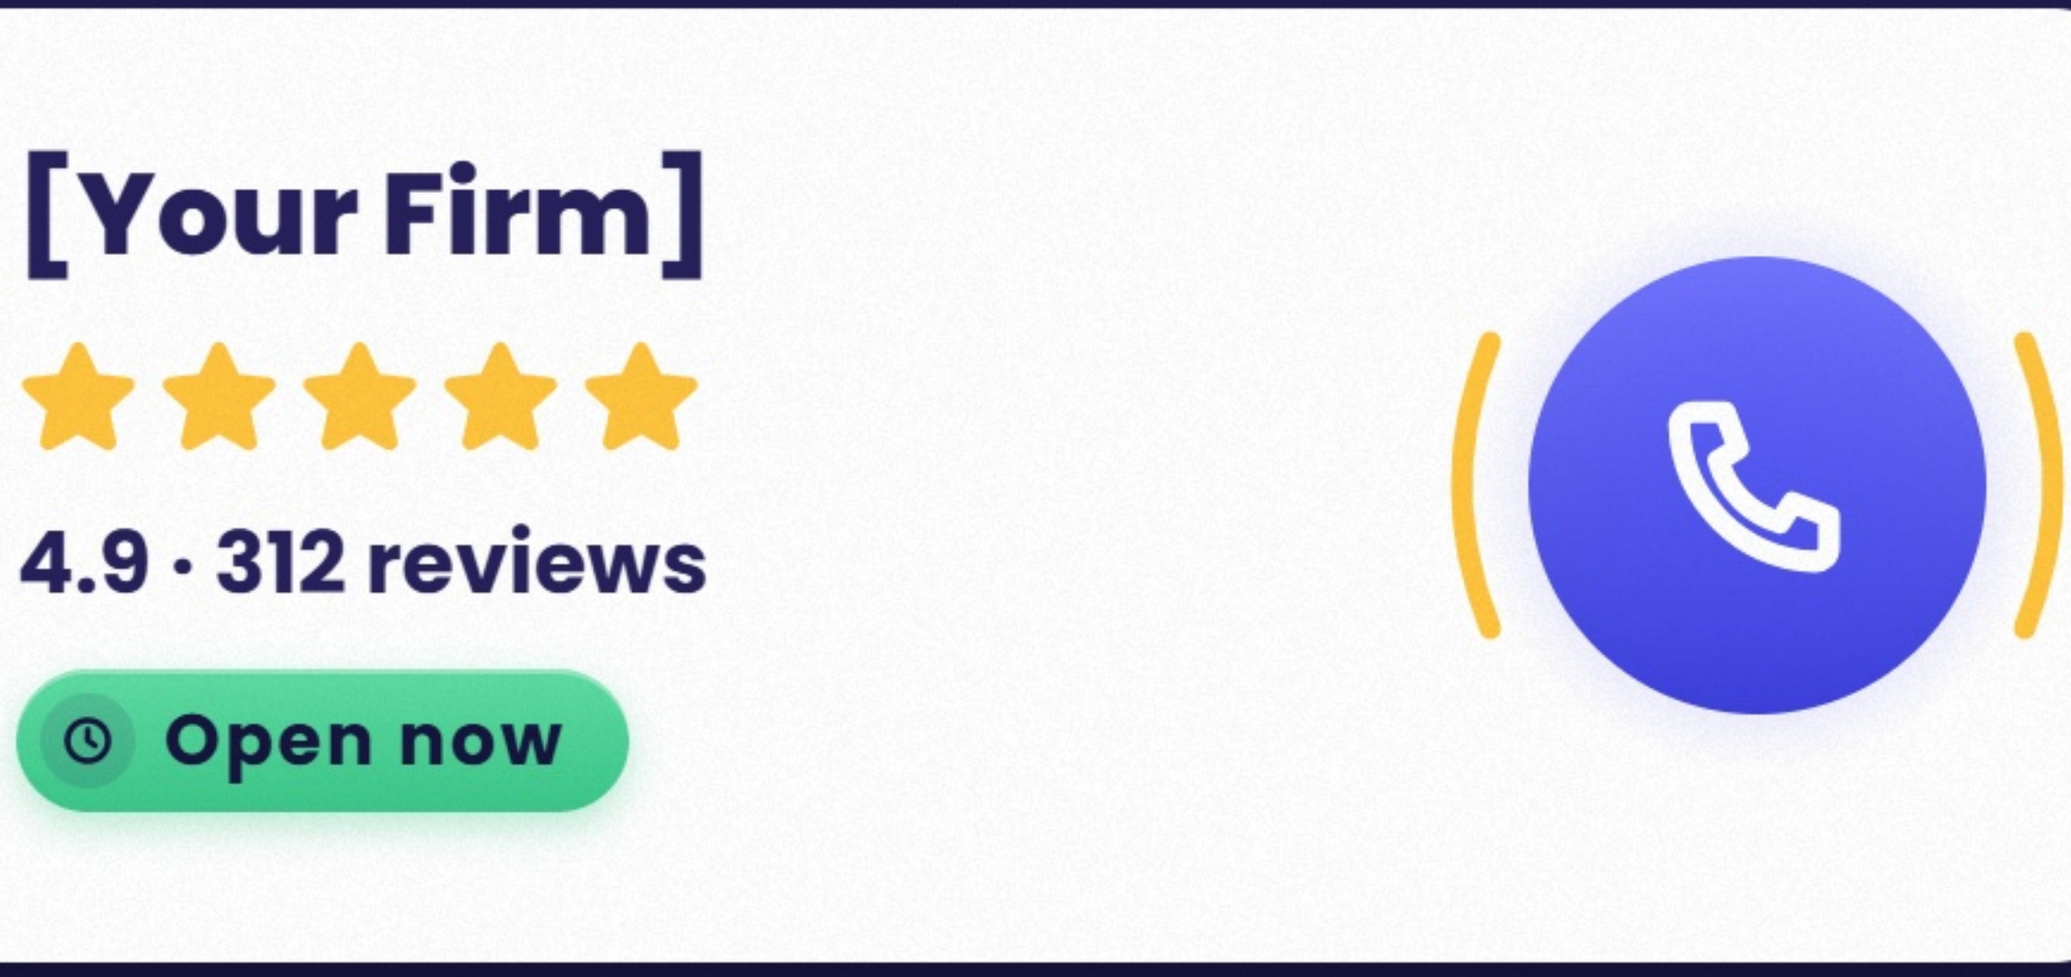

Be the source the AI answer quotes.

Answer real client questions on your site, plainly, right at the top.

FIX 2

Keep your Google profile strong.

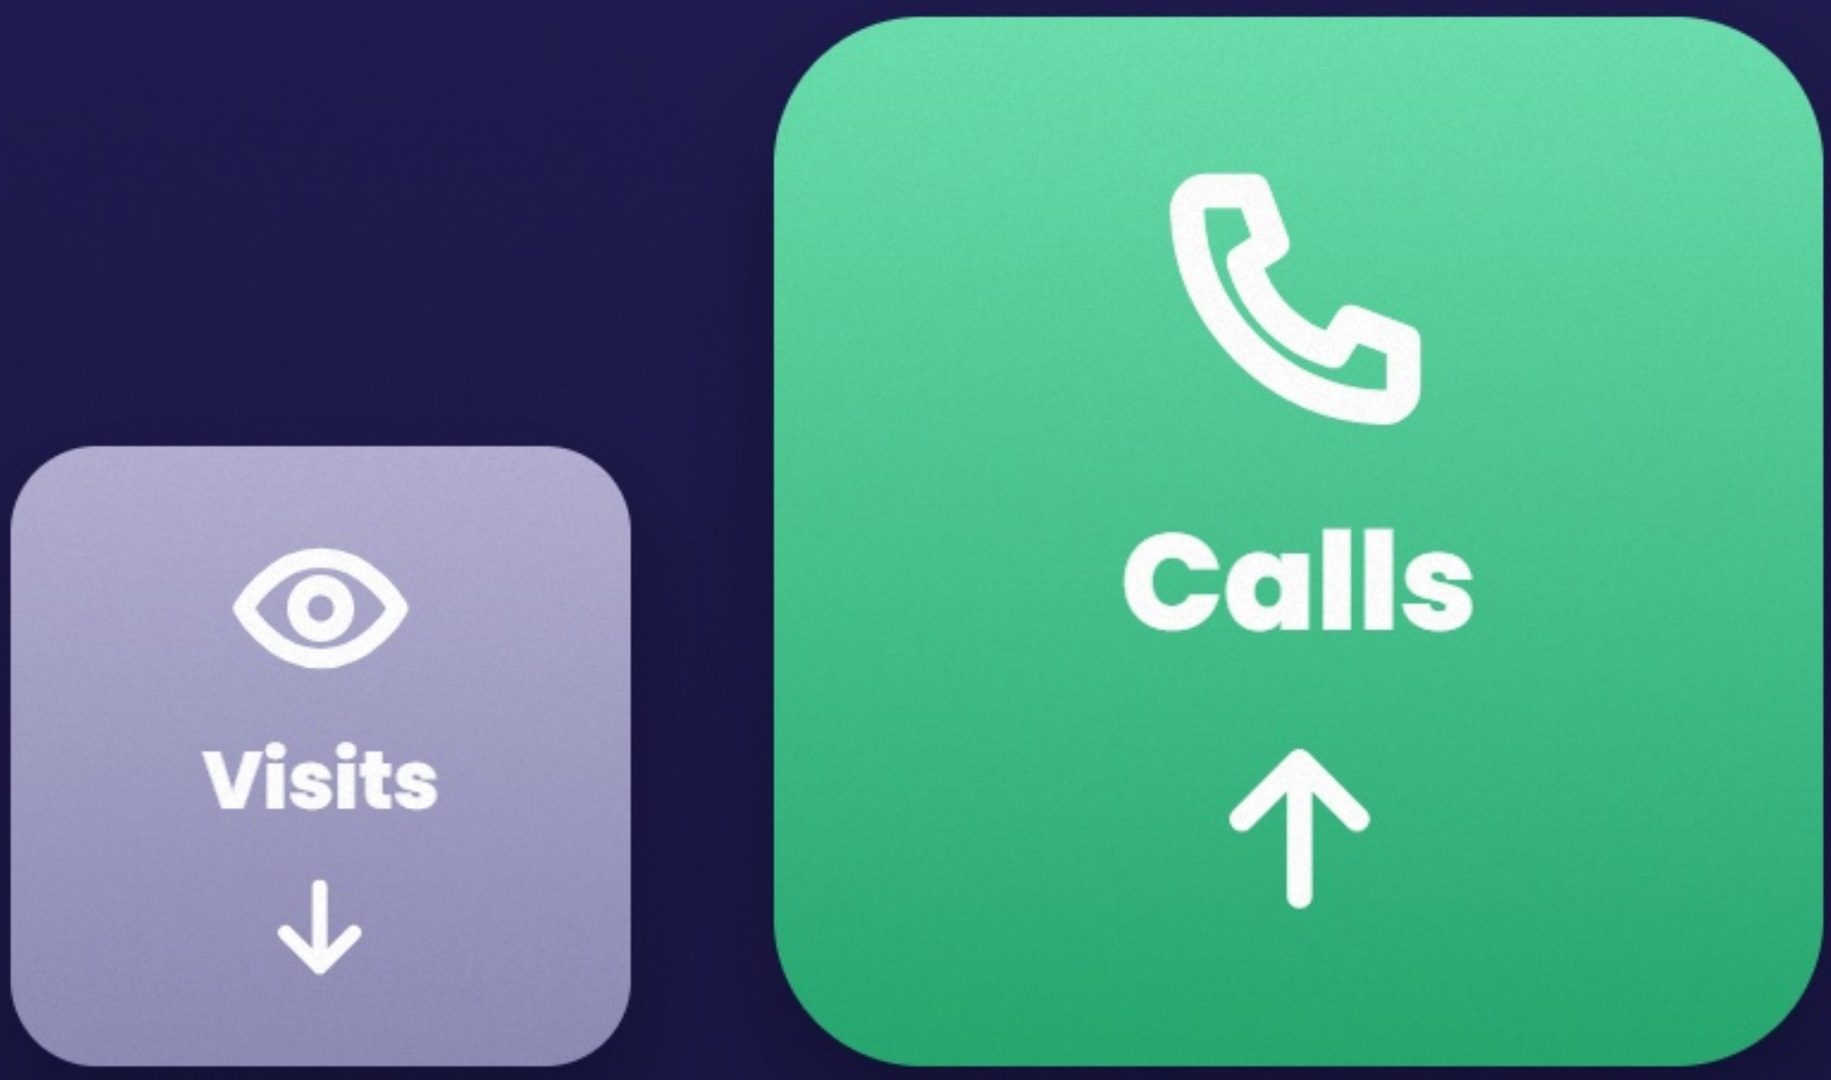

That’s still where the call comes from.

RUBIKS TECHNOLOGY

FIX 3

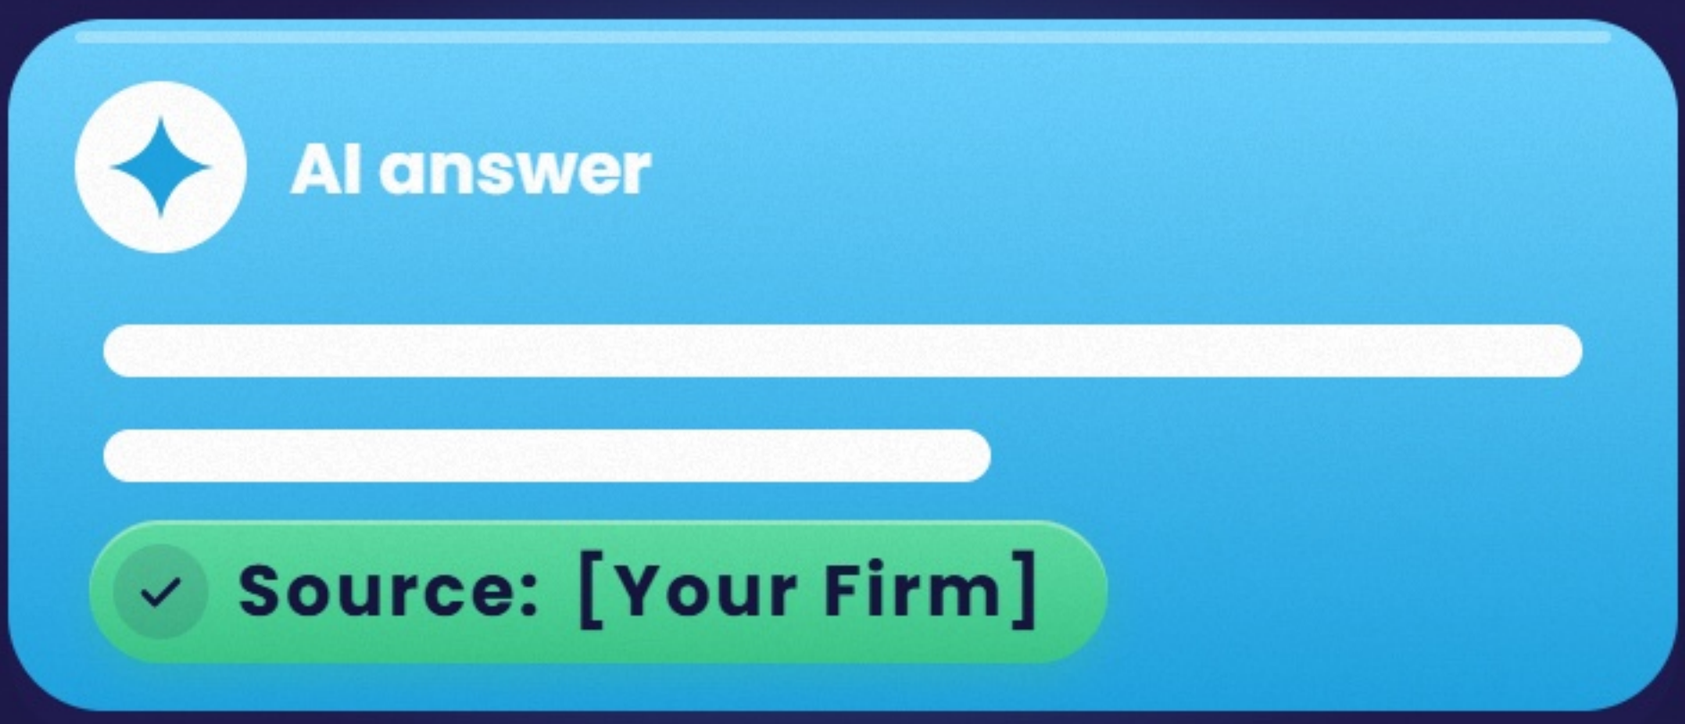

Judge your site by calls, not visits.

Fewer visits can still mean the same number of clients.
