RUBIKS TECHNOLOGY

THE FIRM

Three lawyers. Criminal defense. #2 on Google.

On paper, it should be ringing all day.

⚠ WHAT WE'D FIND

Four small things between found and called.

- **Hours say 'Closed' at night**
- **Newest review: 7 months old**
- **No replies to reviews**
- **No call button on mobile**

None of them shows up in a ranking report.

FIX 1

Correct the hours.

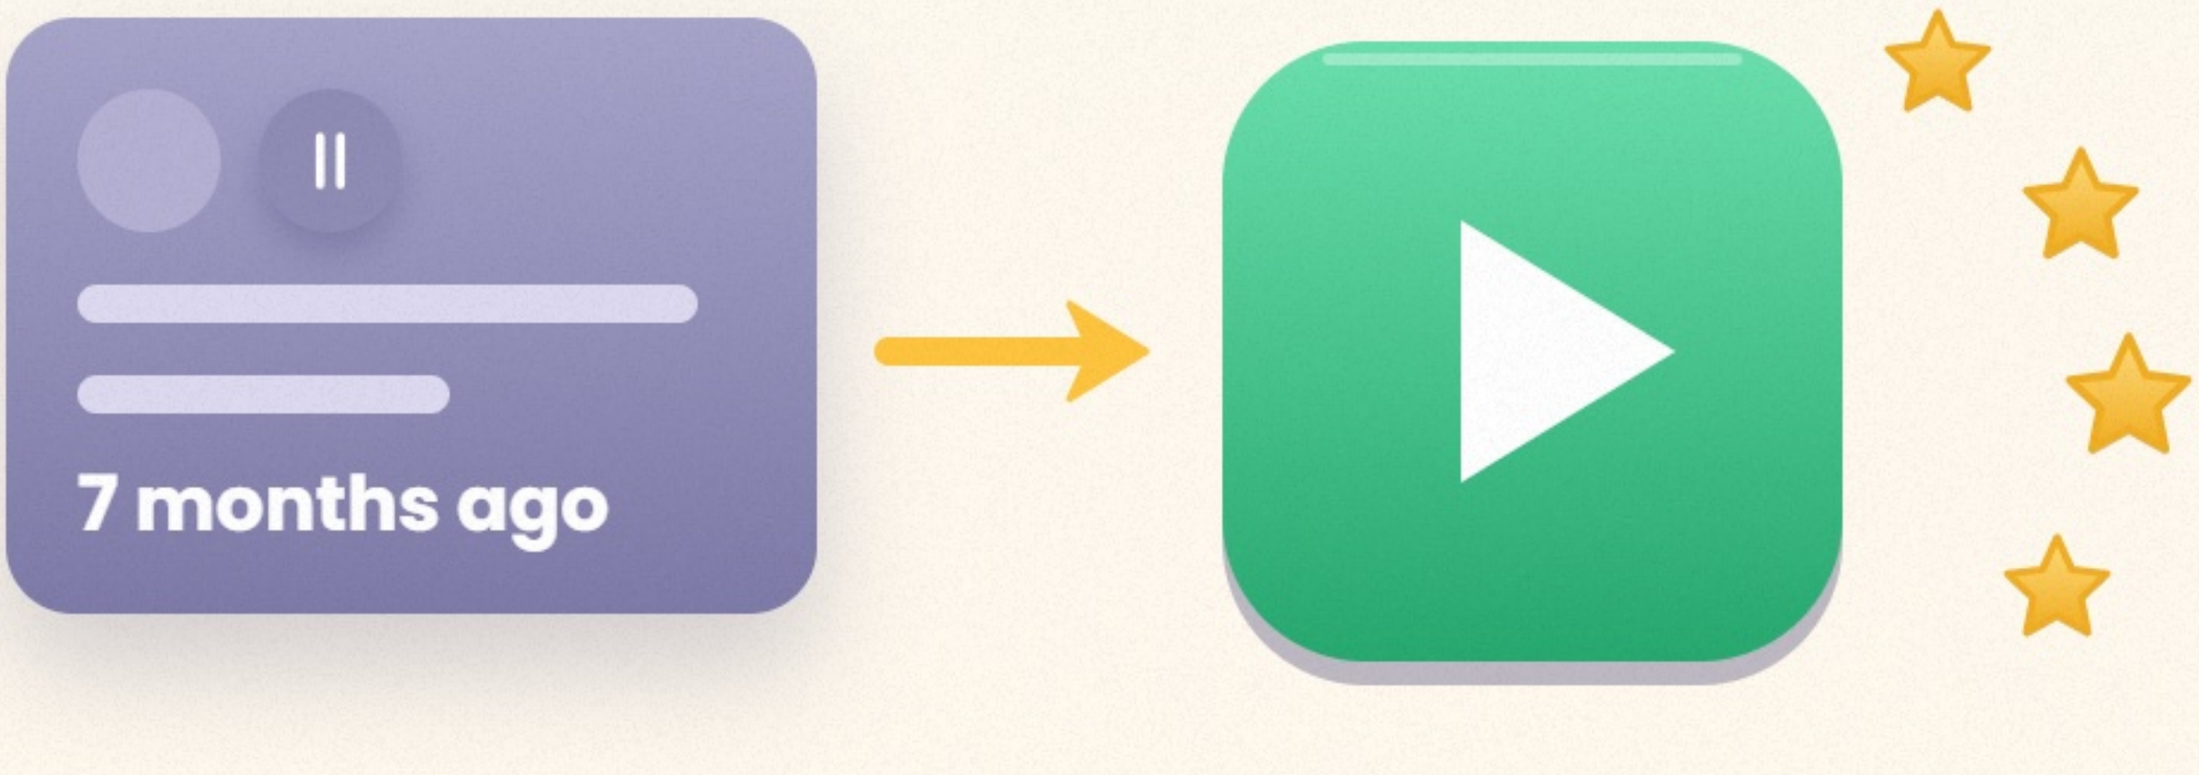

[Your Firm] · Hours

Closed → Open 24 hours

Arrests happen at night. Only say ‘open’ if someone answers.

FIX 2

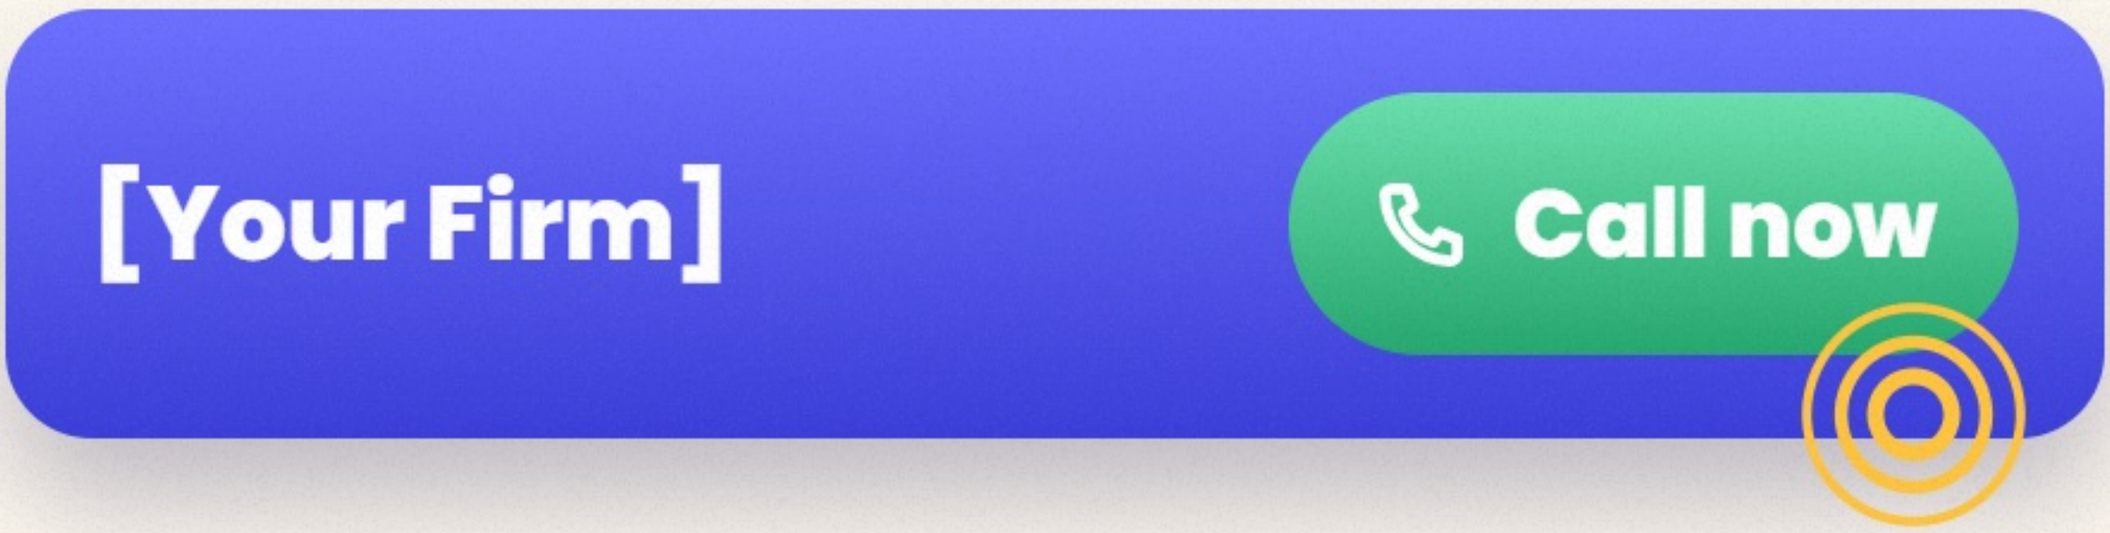

Restart reviews.

Ask every happy client this month. Reply to each one.

FIX 3

A tappable number on every screen.

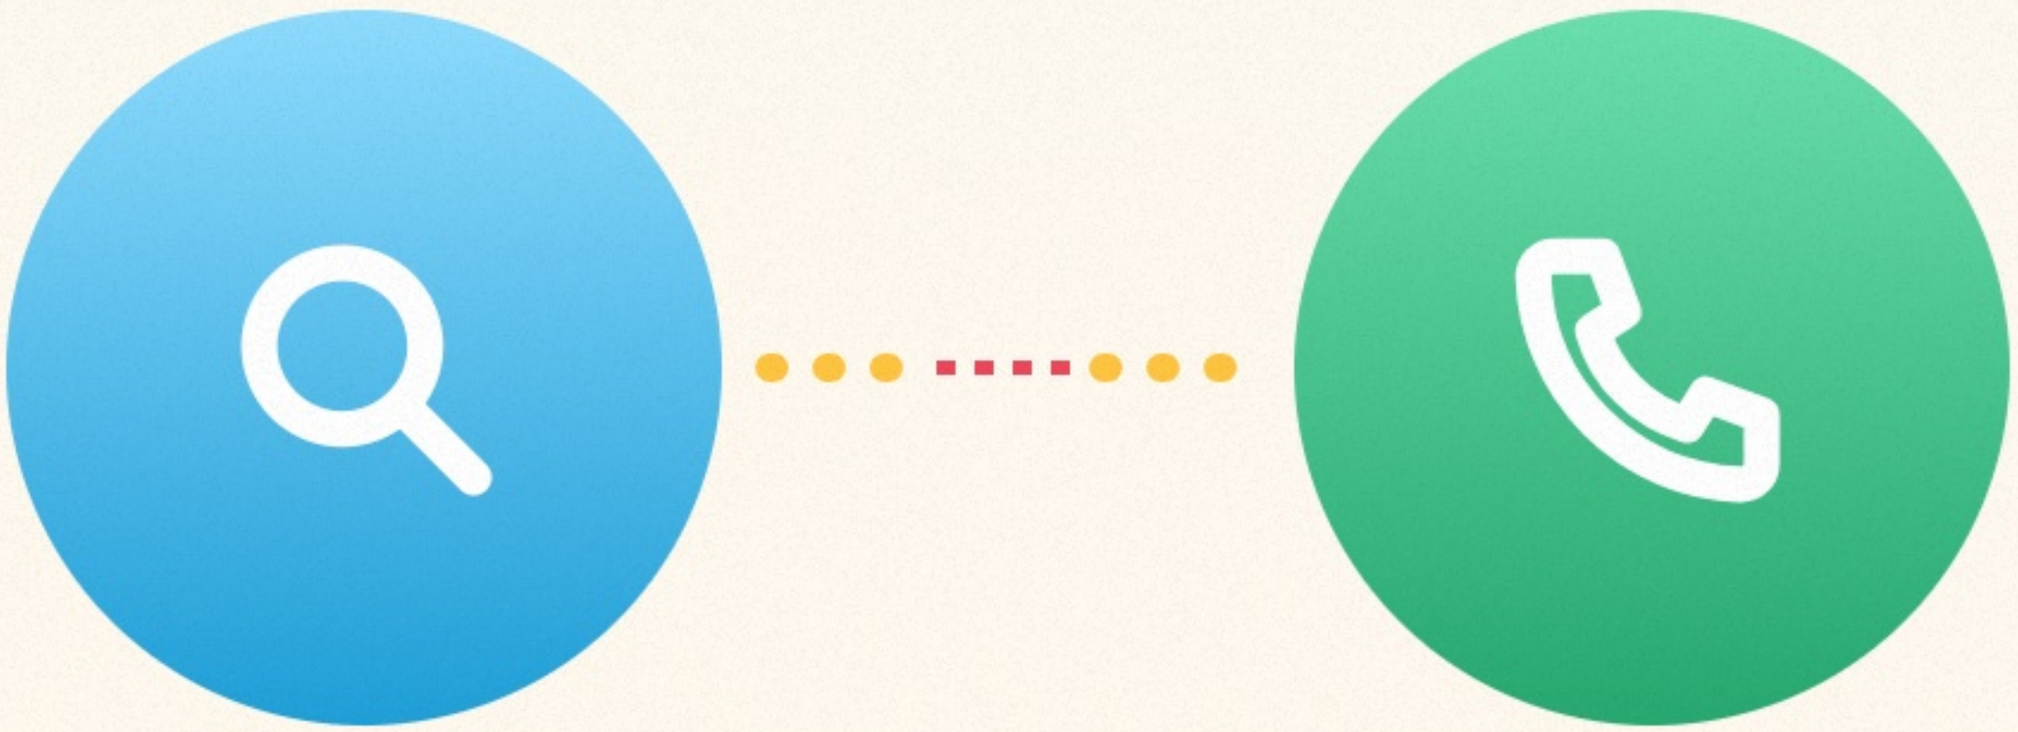

Same spot on every page

If they have to hunt for it, they call someone else.

THE POINT

Being found isn't the same as being chosen.

Found **Chosen**

Ranking gets you seen. The rest gets you the call.
